Modernisation of Army

2759. SHRI MOTIUR RAHMAN: Will the Minister of DEFENCE be pleased to state:

(a) whether the number and type of weapons available with the Army are much less, in comparison to their requirement;

(b) if so, the measures taken to modernize the Army and to upgrade their weapon systems and to provide required number of weapons to them; and

(c) the steps taken to equip the infantry men with superior light weight weapons, equipments and clothing?

THE MINISTER OF DEFENCE (SHRI PRANAB MUKHERJEE): (a) to (c) Modernisation of the Army is an on-going process based on imperatives of national security, analysis of threat perception and response thereto. A holistic study for the modernization of the Army has been carried out based on prevailing and anticipated threats to the national security and has been projected in the form of Army's Long Term Perspective Plan covering a period upto 31.3.2017.
